

JUSTDIGGIT MAKES DRY LANDS GREEN AGAIN AT SCALE WITH GREAT IMPACT ON CLIMATE, NATURE AND PEOPLE.

WHAT WE DO

We implement and scale proven **re-greening** methods, such as **Rainwater Harvesting** and **FMNR**, by inspiring and activating millions of people in rural **Africa**. Justdiggit believes in strong global partnerships that aim to reverse climate change through Nature Based Solutions, impacting **8 SDGs** simultaneously and make it relevant for their business and stakeholders.

See the **Justdiggit Story 2019** video [here](#).

JUSTDIGGIT FOR BUSINESS

Justdiggit is interested in partnerships to make positive impact on Climate, Nature and People. We work with all types of organisations, from small and local to Multinational and Global.

There are many ways of partnering with us and we offer clear tangible results for climate/SDG impact that is relevant for organisations. Our solutions can positively impact and engage key stakeholders such as customers, partners, employees, branding and even on product level impact sales / PNL. See some partnership examples below or visit justdiggit.org/business.
