Internship Social Media & Online Community Management (Dutch speaking)

Are you both passionate about social media as well as fighting climate change? Are you pro-active and looking for a real challenge? We are looking for a social media & community management intern to help us grow our social media channels: from Insta to TikTok to Youtube!

Starting date: As soon as possible

Durations: 4-6 months

Location: Amsterdam, the Netherlands or remote (with occasional travel to our office in Amsterdam, dependent on COVID-19 restrictions)

About us

[JustdiggIt](#) is a non-profit organisation working on landscape restoration in Africa to make a positive climate impact. We believe in the power of nature and that together, we can cool down the planet. So far, we've regreened over 60,000 hectares and brought back 5 million trees in Kenya and Tanzania; but we're not done yet!

In the next 10 years it is our ultimate goal to reach 350 million farmers and inspire & activate them to restore all degraded land on the African continent by combining traditional farming techniques with data and modern technology. An ambitious mission which we can only achieve with the right team. This is why we might be looking for you!

Your role

As our new social media intern and online community manager, you will be responsible for monitoring all social activities on various social media platforms with a focus on building engagement. Besides contributing to the implementation of various online marketing activities, you will help our Marketing & Communications team by brainstorming for social media, copywriting as well as designing posts, and more. Would you like to gain experience on other communication activities? Everything is negotiable! You will be given a lot of responsibility and an important role within JustdiggIt. Are you ready to take our social media strategy to the next level?

Who are we looking for?

For this internship it is important that you:

- Are a passionate and enthusiastic 2nd, 3rd or 4th year student, who is looking for a challenge;
- Are enrolled in either a University or University of Applied Sciences degree;
- Have affinity with the mission and vision of Justdiggit;
- Know your way around (online) communication tools (pré: design and social media experience);
- Are fluent in both Dutch and English;
- Have a strong interest in various social media (and preferably proven experience);
- Can work accurately and have an eye for detail;
- Can work independently and show initiative;
- Are eager to learn and like a hands-on internship.

What do we offer?

- A great working experience in a fast-growing non-profit organisation;
- A valuable addition to your CV and network;
- Working in a fun, motivated and international team;
- An internship salary.

Apply now!

Justdiggit is committed to building a team that includes and welcomes people of different ethnicities, faiths, genders, sexual orientations, and other diverse backgrounds.
