WHAT WE DO

Justdiggitt makes dry lands green again with great impact on climate, nature and people.

We implement and scale proven **re-greening** methods, such as **Rainwater Harvesting** and **FMNR**, by inspiring and activating millions of people in rural **Africa**. Justdiggitt believes in strong global partnerships that aim to reverse climate change through Nature Based Solutions, impacting **8 SDGs** simultaneously.

JUSTDIGGIT FOR BUSINESS

Justdiggitt is interested in partnerships to make positive impact on climate, nature and people. We work with all types of organisations, from small and local to multinational and global.

There are many ways of partnering with us and we offer clear tangible results for climate/SDG impact which are relevant for organisations. Our solutions can positively impact and engage key stakeholders such as customers, partners—and employees, and can even be implemented on product level impact.

See some partnership examples below or visit justdiggitt.org/business.

PARTNERSHIP EXAMPLES

TIMBERLAND

Justdiggit and Timberland are engaged in a global **5** year partnership from **2020 – 2025** to bring back **10,000,000** trees in Tanzania, save billions of liters of water, sequester **4,000,000** tons of CO2 and positively impact the livelihoods of **100,000**'s of people.

See the press release [here](#).

AMAZON

In **2022** Justdiggit became the dedicated global partner of Amazon Operations' Sustainability Ambassador Program, which has teams in over 1200 global Amazon Operations sites. In addition, Justdiggit and Amazon Operations partnered to regreen over **800,000** square meters of dry land in Kenya through rainwater harvesting, positively impacting nature, climate, and people. Justdiggit is also setting up a dedicated Amazon Justdiggit shop internationally which will offer sustainable products, direct impact, and merchandise of which all proceedings will be reinvested in restoring nature and combatting climate change. Finally, Justdiggit and Amazon Prime Video are getting ready to make Justdiggit documentaries and inspirational content available to the greater public via Amazon Prime.

BRIDGESTONE MOBILITY SOLUTIONS

Together with Justdiggit, Bridgestone Mobility Solutions has invested to Regreen an area >45x the size of Amsterdam City Center. Together we've built a global B2B platform called '**Green Your Fleet**' that enables **50,000** international partner companies that own a fleet of vehicles, to offset their carbon emissions while regreening land, saving water, and impacting local people at the same time. Many different Bridgestone Mobility Solutions' customers have joined the program. With large customers such as **Gerdes & Landwehr** and **InTime Logistics**, TLT and Ader over 730.000 trees will be brought back to regreen farmlands the coming years!

See the 'Green your Fleet' platform [here](#) and the press release [here](#).

DHL

DHL is the largest logistical company worldwide with over **600,000** employees. In **2021**, Justdiggit and DHL Supply Chain Benelux & Nordics partnered to regreen dry lands in Kenya through rainwater harvesting. The multi-year partnership will ensure the regreening of **millions** of m2 of dry lands, an area larger than all of the company's warehouses combined in these regions. We will further expand the partnership through programs and activities to engage stakeholders such as employees, customers and partners.

CATERPILLAR

Caterpillar and Justdiggit are both digging to build a better world. Caterpillar supports Justdiggit's regreening programs to make a positive impact via the Caterpillar Foundation that has a focus on **SDG 1**, End poverty. Justdiggit's programs bring positive impact on **8 SDG's**, with a focus on helping and empowering subsistence farmers by regreening their farmlands and improving their crop yields or cattle health.

RABOBANK

Rabobank is the largest agricultural investment bank globally and supports JustdiggIt by empowering farmers to regreen their lands with the aim to make dry lands fertile again.

1T.ORG – WORLD ECONOMIC FORUM

JustdiggIt has been listed in the **World Economic Forum's** One Trillion Trees Challenge, **1t.org** and **UpLink** as one of the 20 most compelling innovators ([see video](#)) that will grow and restore one trillion trees globally before **2030** ([see WEF Article](#)). **1t.org**, by WEF, exists to connect, empower and mobilize a global reforestation community of millions, unleashing their potential to act at an unprecedented scale and speed, to ensure the conservation and restoration of one trillion trees within this decade.

GLOBAL EVERGREENING ALLIANCE

JustdiggIt is a key member of the [The Global EverGreening Alliance](#) (GEA), a collaborative platform consisting of Nature Based Solution NGO members that support the scaling of EverGreening practices worldwide. JustdiggIt is engaged in several on the ground greening programs setup by GEA. Other members include the Conservation International, World Vision, WRI and Nature Conservancy ([see all members](#)).

JustdiggIt has also created the 'Green Up to Cool down' [campaign](#) and [video](#) launched at the NY UN Climate Week in **2019**.

AFR100

AFR100 is a country-led effort to bring **100** million hectares of land in Africa into restoration by **2030**. More than **20** African governments and numerous partners aim to accelerate land restoration, enhance food security, increase climate change resilience and mitigation, and combat rural poverty. JustdiggIt is an AFR100 partner.

JCDECAUX

JCDecaux is the global marketleader in out of home advertising, supporting JustdiggIt in reaching millions of people in Africa and the Western World.

See out of home example [here](#).

BLOWUP MEDIA

blowUP media, a Ströer Group company, has been an international expert of large-format outdoor advertising spaces for three decades, from large posters to big digital screens. With sizes of up to 3,000m², they help brands to be completely unmissable and reach urban target groups in Europe's major cities.

blowUP media is one of the earliest supporters of JustdiggIt. JustdiggIt and blowUP media have an intensive Europe wide cooperation ([see article](#)).

HAVAS GROUP

Havas is a global partner, with 100 offices worldwide, that supports JustdiggIt with their creative knowledge, power and network to help build a global Regreen Revolution. Together with Havas Lemz and Havas Global JustdiggIt launched campaigns throughout Africa and Europe. From the Netherlands, UK and Germany.
